In a little and pretty village surrounded by paper trees and cardboard mountains, with a slice of orange as the sun, it's famous not for the landscape, but for its village's curious inhabitants. You can find Berta the tortoise, with her shell made of smooth river pebbles, a caterpillar made of corks, not forgetting Colorini the hedgesdog, whose spikes are sharp color pencils. And the oddest, funniest, most popular and eccentric character in town: *Tex* the donkey, the worst trainee detective in the world!
